APA Health Case Manager

Nashville International Center for Empowerment, established in 2005, is a nonprofit 501(c)(3) ethnic community-based organization dedicated to ensure refugees and immigrants achieve their full potential now and for generations to come. The Afghan Placement & Assistance (APA) Program is a new emergency program created in response to the evacuation efforts in Afghanistan. It allows the provision of initial relocation support services for Afghan Humanitarian Parolees admitted to the U.S. during the period of August 20, 2021 through March 31, 2022. The Preferred Communities (PC) and Elders program supports Office of Refugee Resettlement (ORR)-eligible populations with challenging needs that require long-term case management, including those with serious medical and social adjustment service needs.

The APA Health Case Manager will support PC and Elders program clients. The APA Health Case Manager will report to the APA Case Coordinator. The APA Health Case Manager will primarily support the development of sustainable intensive case management services for vulnerable APA populations; and administer projects that foster self-sufficiency and community integration. The APA Health Case Manager will help clients obtain the resources and life skills needed to become self-sufficient and achieve sustained holistic wellbeing. This is a full time, 40 hour position.

Major Responsibilities

- Assures that all Preferred Communities (PC) and Elders health services program requirements are met on time
- Reviews and analyzes program policies and inquiries in compliance with the Office of Refugee Resettlement (ORR) standards to ensure provision of timely and quality services to vulnerable APA populations
- Enrolls clients and conducts intake, develops individualized self-sufficiency plans, supports client referrals to service providers, and case file documentation and management
- Assesses and creates service plans with clients by obtaining relevant history, collecting and evaluating information, and providing appropriate referrals as needed utilizing intensive case management and consistent interaction with clients and follow-up
- Works closely with clients on barrier removal, one-on-one and/or in group settings
- Maintains client-related documentation standards by preparing and completing in a timely manner all required records and reports for all assigned clients in all data management systems (computerized case notes, ECDC & TOR database)
