

APA Health Case Manager

Nashville International Center for Empowerment, established in 2005, is a nonprofit 501(c)(3) ethnic community-based organization dedicated to ensuring refugees and immigrants achieve their full potential now and for generations to come. The Afghan Placement & Assistance (APA) Program is an emergency program created in response to the evacuation efforts in Afghanistan. It allows the provision of initial relocation support services for Afghan Humanitarian Parolees. The Preferred Communities (PC) and Elders program supports Office of Refugee Resettlement (ORR)-eligible populations with challenging needs that require long-term case management, including those with serious medical and social adjustment service needs.

The APA Health Case Manager will report to the APA Case Coordinator. The APA Health Case Manager will primarily support the development of sustainable intensive case management services for vulnerable Afghan populations in Davidson County. This role will administer projects that foster self-sufficiency and community integration. The APA Health Case Manager will help clients obtain the resources and life skills needed to become self-sufficient and achieve sustained holistic wellbeing. The APA Health Case Manager will support PC program eligible clients. This is a full time, 40-hour position.

General Responsibilities

- Assures that all Preferred Communities (PC) and Elders health services program requirements are met on time
- Reviews and analyzes program policies and inquiries in compliance with the Office of Refugee Resettlement (ORR) standards to ensure provision of timely and quality services to vulnerable Afghan populations
- Supports community outreach efforts to identify Afghan population needs
- Enrolls clients and conducts intake, develops individualized self-sufficiency plans, supports client referrals to service providers, and case file documentation and management
- Assesses and creates service plans with clients by obtaining relevant history, collecting and evaluating information, and providing appropriate referrals as needed utilizing intensive case management and consistent interaction with clients and follow-up
- Works closely with clients on barrier removal, one-on-one and/or in group settings
- Maintains client-related documentation standards by preparing and completing in a timely manner all required records and reports for all assigned clients in all data management systems (computerized case notes, ECDC and TOR database)
- Maintains professional and technical knowledge by attending agency in-service programs, educational workshops, state and national trainings and conferences, reviewing professional publications and establishing personal networks
- Establishes the agency as a credible service provider by presenting information at community events and workshops
- Other duties as assigned
